

Champions of Change

8th Annual Event – Managing Projects, Programs, and Portfolios Conference

8th Annual Professional Development Conference!

- Gain take-away skills that can be applied immediately towards your project success
- Hear the latest insights from new research on human behavior
- Learn what you can do today for better project results

Keynote Speaker: Tres Roeder of Roeder Consulting

Keynote Topic: Effectively Leading Change through People

Tres will shed light on a common “blind spot” in leading projects; managing the human side of change.

Here are just a few of the scheduled conference speakers:

Doc Dochterman	PMI Virtual Communities of Practice – When You Need to Learn
Jeff Oltmann	Don't Let Change Run Over You
Tim Runcie	Supercharge Project, Program & Portfolio Management with Technology
Ken Whitaker	7 Deadly Habits of Ineffective Software Managers
Mark Layton	Agile: Tough Questions Answered
